Who We Are

Passron INTERNATIONAL - FZCO founded by Mr. Mohammed Sani Dangote, is a Global trading company dedicated to excellence across three core sectors: Agriculture, Oil and Gas, and International Commodity Trading. Our expansion into West Africa in 2021, marked by the delivery of substantial volumes of vegetable Oil products, underscores our commitment to quality and strategic growth.

In agriculture, Passron INTERNATIONAL - FZCO is a comprehensive input provider, offering a full range of fertilizers—including Urea, NPK, high-quality seeds/seedlings for cereals and vegetables, and a complete line of agrochemicals such as herbicides, insecticides, fungicides, and fumigants.

We are proud to collaborate with Dangote Fertilizer Limited, the world's largest granulated urea fertilizer complex, representing a \$2.5 billion investment with an annual capacity of three million tonnes.

Additionally, we are partners with **Dangote Refinery Limited**, which operates a 650,000 barrels per day (bpd) integrated refinery and other petrochemical in the Lekki Free Zone near Lagos, Nigeria. This facility is the Africa's biggest oil refinery and the world's largest single-train facility.

We also collaborate with **Dangote Sugar Refinery**, Nigeria's largest producer of household and commercial sugar, with a refining capacity of 1.44 million metric tonnes per annum (MTPA).

Through our strong partnerships and commitment to quality, Passron Enterprises Limited is dedicated to delivering innovative and reliable solutions while driving growth and sustainability in the sectors we serve.

OUR VISION:

To become a leading global enterprise with a diversified focus on Agriculture, Oil and Gas, and International Commodities Trading. We aim to leverage our expertise and partnerships to dominate these sectors, driving innovation and establishing a strong presence in both African and international markets.

Our Products

◆ Fertilizers and Agro chemicals :

i. We supply Urea, NPK, Seeds and seedlings, Agro-chemicals & irrigation solutions to the Nigerian Market, and export to West African countries, Europe, US and South America.

◆ **Agro Commodities:** A diverse selection of agricultural products supporting local and international markets such as Gum Arabic, Hibiscus flower, Ginger, Sesame seeds, Raw peanuts and Cashew Nuts.

Our Products

◆ **100% Pure Vegetable Oil:** We export Cholesterol-Free vegetable oil made from premium palm oil fruits for a wholesome vegetable oil.

We have established strong and long-lasting business relationships with some of the largest multinational companies and business associates across different continents.

We offer retail and industrial pack options which is Ideal for both home kitchens and commercial needs.

◆ Oil and Gas:

i. We are partners of Dangote Refinery as an off-taker, exporting PMS, AGO, JET-A1, and polypropylene and other petrochemicals to meet the needs of our global partners.

ii. Compressed Natural Gas :To support sustainable Energy solutions, In 2024, we partnered with the Federal Government under the Presidential CNG Initiative to supply 5,000 conversion kits and cylinders, helping convert vehicles to dual-fuel systems and advancing cleaner and more affordable transportation.

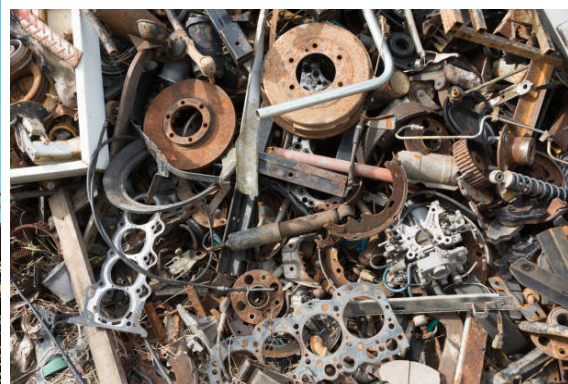

Our Products

◆ **Powdered Milk:** Legacy Milk, available in both vegetable fat and full cream varieties, providing high nutritional value for consumers.

◆ **Scraps:** High-quality scrap materials for recycling and industrial use.

Meet the team

Mr Mohammed Sani Dangote

Executive Director

Mr. Mohammed Sani Dangote is the founder of Passron Enterprises Limited in Nigeria, Passron International-FZCO Dubai, Mohammed Sani Dangote Foundation (MSDF), and MSD Global Services in Malaysia. He is also the Group Chief Executive Officer of Dansa Holdings Limited, a leader in agro-allied services. Coming from a lineage of successful business leaders, Mr. Mohammed has built a diverse career with expertise spanning ICT, Oil and Gas, Manufacturing, Finance, and Trading. He holds degrees in Mechanical Engineering from Brunel University and International Relations from Regents University, London.

With previous roles at Glencore Strata UK, Deutsche Bank AG, and Dangote Global Services Limited, he has led major business deals and strategic partnerships. At Dansa Holdings, Mohammed spearheaded initiatives like Nigeria's first LNG trading desk and key collaborations with companies like Shell, TOTAL, and NNPC.

He also sits on the boards of Dangote Farms Ltd and Dansa Agro-Allied Ltd and is deeply committed to philanthropic work through his foundation, focusing on youth empowerment and community development. Additionally, he is an avid polo player with multiple awards in the Nigerian Polo circuit.

Meet the team

Mr Goran Colaric
General Manager

Mr Goran Colaric is a seasoned executive with over 20 years of experience in the fertilizer and cocoa downstream industries, excelling in trading, shipping, and distribution. Currently serving as the General Manager at PASSRON Enterprises Ltd in Lagos, Nigeria, he leads complex logistics and market development projects in emerging markets, particularly across West Africa. Goran has a proven track record in business development, demonstrated by his role in negotiating a \$120M dry bulk port concession and enhancing fertilizer distribution networks.

His career includes pivotal roles at Armajaro, where he doubled the company's cocoa procurement in Ghana, and at Dan-Hydro Co., where he significantly increased market share in Nigeria. Goran holds a Bachelor's degree in International Trade from Zagreb University and is fluent in English, Russian, and German. His multicultural experience and out-of-the-box thinking make him a strategic leader in challenging environments.

Meet the team
